

Big Stone II Energy Forum

Wednesday, March 5, 2008 7 – 9 p.m.

Fergus Falls Community College (MSCTC) just off I -94 exit 54 (follow signs)

Featuring:

- **Winona La Duke** of the White Earth Community and founder of Honor the Earth,
- **Barbara Freese**, author of the **History of Coal**, member of the Union of Concerned Scientists and Fresh Energy Consultant
- **Representatives from the Sisseton Wahpeton Community**
- **Ward Uggerud Otter Tail Power Company** vice president of Energy Supply

Don't miss this public forum and dialogue about the threats to the environment and sacred lands posed by the proposed Big Stone II Coal Fired Power Plant

The energy forum is hosted by students enrolled in Sociology Service Learning at MSCTC. The students are Courtney Spiker, Evansville; Andrew Brue, Fergus Falls; Kathi Abel, Fergus Falls; Baird Miltich, Pelican Rapids; Lacey Weinhandl, Fergus Falls, and Rebecca Odegaard, Morris. Their instructor is Sue Wika.

For more information call Marci King at MSCTC, Fergus Falls, at 218-736-1625.

CURE has rented a charter bus to take interested citizens to the forum:
