

Event Details

Date	April 2, 2008
Time	
Title	Environmental Education and Global Warming
Link	
Details	<p>Environmental Education and Global Warming April 2, 2008; 1 - 3 p.m. MN Pollution Control Agency, St. Paul, MN. Talk with others interested in educating our multitude of audiences around the state on this vital topic. You'll get to explore the subject of EE and Global Warming with other educators in small and large group settings. The Minnesota Environmental Education Leadership Initiative is a joint effort of the Minnesota Pollution Control Agency and the University of Minnesota Extension. There is no cost for this discussion but registration is required. There are limited spaces available. To register, please send an e-mail to ee-events@pca.state.mn.us (preferred) or call 651-215-0266 and specify which discussion location you would like to attend.</p>
