

Holy Spirit Retreat Center , Janesville (on Lake Elysian), together with LEWA is sponsoring a water program on rain gardens on Sunday, April 13, 2008 from 2:00-4:00 p.m. for the general public. Perhaps it could be a fit with your MN River Weekly Update publication.

The following information has been published in our Retreat Center newsletter, "Come to the Water":

Water Preservation in Natural Settings
Sunday, April 13, 2008 2:00-4:00

This program is presented in collaboration with the Lake Elysian Watershed Association. Our presenters are Julie and Larry Milow from Greenscene Nursery and Landscaping in Janesville, Minnesota.

Water is a precious commodity. During this program you will learn how to develop a rain garden on your property, understand the current benefit of rain barrels and receive suggestions for lake shore planting.

Suggested donation: \$10.00
Location: Holy Spirit Retreat Center
