

CHIPPEWA RIVER WATERSHED PROJECT ANNUAL MEETING

Thursday, March 24, 2011

at the

Starbuck Community Center

307 E 5th Street, Starbuck

5:00 pm Social Hour and Displays

6:00 pm Meal (free with reservations)

7:00 pm Program

Featuring the 2010 Water Quality Monitoring Results and Aaron Onsrud of the MN Pollution Control Agency on Biological Monitoring Data highlighting fish and macroinvertebrate populations in the Chippewa River Watershed.

The Chippewa River Watershed Project appreciates your support and invites you to spend an evening celebrating the river and learning more about recent activities.

Everyone is welcome to this free event.
