**Renville County Government Services Center**

**Lower Level Meeting Room 117**

**Olivia, MN**

***Free Popcorn & Lemonade!***

*Troubled Waters* is a documentary that explores the connection of how pollution entering the Mississippi River in Minnesota has contributed to a growing dead zone in the Gulf of Mexico. The film also highlights steps that are being taken to improve the Mississippi River and its watershed.

Questions & Answers: The film will be followed by a moderated public discussion.

**Sponsored by:**

**Renville Soil & Water Conservation District (SWCD), Renville County Water & HHW Management,  
and the Hawk Creek Watershed Project.**
