

An aerial photograph of a Mississippi River bend. The river is a deep blue, curving from the top left towards the center. The surrounding land is a vibrant green, with rolling hills and fields. A small town or farmstead is visible in the middle ground, with several buildings and a dirt road. The sky is a clear, bright blue.

Troubled waters

A Mississippi River Story

FILM SCREENING AND DISCUSSION

Facilitated by Scott Kudelka,
Water Resources Center, MSU Mankato

Other Partners:
Ron Bolduan & River Ranger Program

This film traces the development
of America's bountiful heartland
and its effect on the legendary river.

THURS., APRIL 14 • 6 P.M.
NEW ULM PUBLIC LIBRARY
