

MINNESOTA RIVER BOARD ANNUAL MEETING

The 2008 MRB Annual Meeting will feature:

- An abbreviated *full board meeting*
- Recognition of outstanding basin partners through the presentation of the 2008 *Tributary Award* and *Confluence Award*
- A presentation by Aaron Snyder, U.S. Army Corps of Engineers Project Manager, regarding the *Integrated Watershed Study* proposed for the Minnesota River Basin
- A presentation by representatives of *GBERBA*, highlighting the history and unique challenges of their watersheds

Following the meeting and a *free lunch*** for all meeting participants, the Greater Blue Earth River Basin Alliance will host a bus tour of the region.**

Highlights of the bus tour will include:

- **Tour of the Rapidan Dam**
- **Streambank erosion on the Le Sueur River**
- **Urban stormwater management in Faribault**
- **Maple River Watershed & discussion of results from a recent biological study**
- **Return by 3:00pm**
