

# Open House

## Visit the new, greener MPCA Mankato Office!

**Thursday, October 2<sup>nd</sup>  
1:00 to 3:00 p.m.**

You are cordially invited to attend an open house at the new MPCA Mankato office. The office is located at 12 Civic Center Plaza, Suite 2165, on the second floor of the Mankato Place Mall in downtown Mankato. Free two-hour parking is readily available in the Cherry Street and Mankato Place parking ramps.

We are excited to be located in Mankato Place which has a recently installed solar panel power system and advanced daylighting system that provides a 23 percent reduction in electrical power consumption. The skylight system eliminates 80 percent of the electricity normally required for electric lighting and rooftop solar panels provide 6 percent of the annual electric consumption for tenants.

Please stop by to tour the new office, have a few refreshments, and visit with our staff. We look forward to seeing you.

For more information, contact the Mankato MPCA Office by phone at 507-389-5977 or e-mail [julianne.johnston@pca.state.mn.us](mailto:julianne.johnston@pca.state.mn.us).
