WATER SAVINGS**

**GO GREEN!
SAVE
MONEY!
GET A RAIN BARREL!**

Rain Barrel Benefits:

- ◆ A single rain barrel can save approximately 1,300 gallons of water from running into our lakes & storm sewers during peak summer months
- ◆ Saving water lowers monthly utility bills, and helps reduce pollution
- ◆ Natural "soft" water from rain barrels can be used to water lawns, gardens, and wash cars
- ◆ Barrels with either closed-top or screen covers keep small children, mosquitoes, and other debris out of barrels
- ◆ Multiple barrels can be linked together for more water savings

**THE CLEAN WATER PARTNERSHIP
